

NEWCASTLE CONTEMPORARY ART

Hires & expressions of interest - information sheet

NCA's core programme includes six exhibitions a year in the gallery spaces on the 4th Floor of High Bridge Works.

In the remaining six months of the year, the galleries are available to hire for exhibitions, workshops and events. The money raised from these hires helps us to fund our core programme. If you would like to hire the galleries, [please get in touch](#).

Our prices are tailored to each individual proposal, therefore, please include the following information on your email:

- State the purpose for your hire (Who, What, and Why?)
- Do you plan to include any events or workshops as part of your hire? If so, please describe what these could be.
- Hire dates and times (including set up and de-install)

The final decision for successful hire proposals rests with the curatorial team.

If you have any other questions, please get in touch at info@visitnca.com

Thanks,
NCA Team
